National Voter's Day

On 25th January, 2022, National Voter's Day was organised in our College to mark the foundation of Election Commission of India under the flagship programme of SVEEP. All the faculty members administered a pledge to inculcate constitutional obligations among students, to sensitise them about the importance of voting and create awareness about Universal Franchise. Our Principal, Prof. Sapna Verma underscored the importance of observing the National Voter's Day and highlighted this year's theme of "**Making our Voter's Empowered, Vigilant, safe and informed."**
